CATALOG

Use the Lankota Net Wrap Assist system to eliminate the back-breaking job of loading net wrap into your CNH® baler. Using 12 Volt DC power from the tractor, winch net wrap into place with the push of a button. Easily and safely getting you back in the seat for more baling. Load a roll of net wrap in the storage compartment in the rear of the baler or effortlessly swing the lift assist arm to the front of the baler and load a roll in the wrapping chamber. You can also use the lift assist arm to load a roll into the top storage chamber on the front of the baler allowing you to carry two rolls for later use.
